Dear Jordan:

The Unit has reviewed **Terracon's** July 26, 2016 **653DP-16** Work Plan & Cost Estimate for conducting file review and site visit at the above site. Based on the review, the **653DP-16** Work Plan with **\$2,576.80** cost proposal is approved. This letter serves as notification of Approval of the Work Plan and Cost Estimate for the Task Order. Please proceed with the proposed task accordingly.

While the total expense on the invoice cannot exceed the amount approved, individual task components within this task approval may vary. Any increase in cost to this scope of work must be approved prior to implementation. A task order addendum must be requested to cover an additional scope of work or unforeseen site circumstances. Notify me immediately and request additional funds to cover eligible and reasonable costs. Cost of additional work conducted without approval will be ineligible for payment.
